

You are invited to a
Showing of the Chinese Opera

The Legend of White Snake 白蛇传

(With English Subtitles)

This legend, a beautiful and moving love story, has been passed on from generation to generation in China for more than a thousand years. This story, like many dramas, tries to reveal people's inner feelings about the precious love of husband and wife. This precious relationship is the envy of all creatures, even the fairies. While the humans take it for granted, the fairy snake covets this love.

Come and enjoy the drama and get a glimpse of Chinese philosophy and ethics through this film. The unique and highly skilled artistry will offer you an enriching experience in dramatic presentation.

Pioneer Park Theater
Sunday April 9, 2017 1:30 pm
Free Admission

Presented by UAF Chinese Language, Eastern Philosophy, Asian Studies
