Public Film Screening and Discussion  
Room 301 in the new UAF Engineering Building

Enter the universe of Theo Brode who, like so many in Louisiana, chose to learn, speak, and preserve the language of their Cajun, Creole, and other French ancestors. Theo's Choice is a documentary about French language in South-West Louisiana and the struggle to preserve an endangered heritage in the United States.

Globalization (almost) killed  
French in Louisiana...

A DOCUMENTARY

...globalization could very well  
save it.
