

Monday OCTOBER 15, 2018

2-3pm IARC 401

Workshop: Strategies for writing a peer-reviewed journal manuscript

Dr. Vanessa Hiratsuka
Senior Researcher, Southcentral Foundation

Dr. Vanessa Hiratsuka PhD MPH is an enrolled member of the Navajo Nation and is also Winnemem Wintu, from Northern California. For more than 18 years, she has conducted quantitative, qualitative and mixed methods research in American Indian and Alaska Native health systems.

Will cover:

- ❖ Scientific manuscript writing including journal selection,
- ❖ outlining the manuscript,
- ❖ intention and content of sections of a manuscript,
- ❖ communication with co-authors in the writing process,
- ❖ response to peer-review, and
- ❖ refining academic writing

Who should attend:

- ❖ Upperclassmen undergrads,
- ❖ grad students,
- ❖ post-docs and
- ❖ junior faculty
