

HONOR WALL

Celebrating UAF's Veterans

To celebrate the vital contributions of veterans to the UAF community, the Department of Military and Veterans Services is sponsoring an Honor Wall.

We invite members of the UAF community to submit photographs, stories or names of veterans who are important to them. They will be posted in Arctic Java for the month of November.

During the month of November, show your connection to the military by placing a peg on the wall that represents your affiliation, **blue** for active duty service members, **white** for veterans and **red** for dependents.

Submissions will be accepted the entire month of November. Please join us for the official opening of the Honor Wall on November 14 from 4-6 p.m. in Arctic Java.
