

IARC SALON

Thursday • December 5 • 2–3 p.m. • Akasofu 401

“Interior Alaska Air Quality”

Join the International Arctic Research Center for this month’s IARC Salon discussion on air quality. We hope you enjoy our panel of engaging speakers!

Come for the
cookies AND coffee
stay for the short science talks!

THIS MONTH’S SPEAKERS

Joe Little

Economist at the School of Management and IARC, estimates changes in wood burning given changes in the price of oil.

Nick Czarnecki

Air Quality manager at Fairbanks North Star Borough, has worked with the State and the EPA on the FNSB State Implementation Plan.

Bill Simpson

Chemist at Geophysical Institute, researches the causes of the high amounts of particulate matter in Fairbanks and North Pole.

For more information contact this semester’s graduate student coordinators Sherri Wall, slwall@alaska.edu and Liz Bowman, sekane@alaska.edu.

This flyer was designed in part by high school student Sierra Lesniak!
