

# IARC SALON

Thursday • January 23 • 2–3 p.m. • Akasofu 401

## “Improving climate change coverage in news”

Join the International Arctic Research Center for this month’s IARC Salon discussion on the media’s role and responsibility in climate science reporting. We hope you enjoy our panel of engaging speakers!

Come for the  
cookies **AND** coffee  
stay for the short science talks!

### **PERSPECTIVES FROM** A journalist, climate scientist & communication scientist

#### **Lois Parshley**

Current UAF Snedden Chair of Journalism, investigative magazine journalist covering the intersection of geopolitics and science.

#### **Rick Thoman**

Alaska climate specialist and media contact with over 4,000 press mentions in the past year related to Alaska weather and climate issues.

#### **Kristin Timm**

PhD candidate in communication at George Mason University where her dissertation investigates news coverage of NCA4
