

**Hey, grad students! What factors contribute to your well-being? We want to know!**

**We invite you to join us in a research survey on the well-being of UAF graduate students. To complete this 25 to 45-minute survey use the QR code above on your smartphone or go to this address on your computer:**

**<https://bit.ly/3vaUMEI>**

A group of UAF researchers - Dr. Jen Peterson and Dr. Dani Sheppard (Department of Psychology), Dr. Mat Wooller (Institute of Northern Engineering and College of Fisheries and Ocean Sciences), and Katie McCabe (Fisheries and Ocean Sciences Student Association; FOSSA) are looking for UAF graduate students to complete a survey about their experiences as graduate students and their well-being.

Our goal is to examine what resources students have and what additional resources are needed to improve their well-being. This survey takes 25-45 minutes to complete.

Participants must be age 18 or older and a current UAF graduate student. This survey is anonymous but you may choose to enter your contact information after the survey for the chance to win one of three \$20 Fred Meyer gift cards.

If you have any questions about the survey please email Jen Peterson at [jen.peterson@uaf.edu](mailto:jen.peterson@uaf.edu). For questions or concerns regarding your rights as a research participant, contact the UAF Office of Research Integrity at 474-7800 or 866-876-7800 (toll-free outside the Fairbanks area), or email [uaf-irb@alaska.edu](mailto:uaf-irb@alaska.edu).
