What is the network LewerMark uses? University of Alaska uses Aetna, a nationwide provider network. If you choose to go to a provider outside of the Aetna network, you may have to pay extra money out of pocket.

How do I find a doctor? Click on the Search for a Doctor link on your insurance website found at the top of this document. Click ‘Aetna’ then ‘Search’ and type the zip code of the area in which you would like to search. On the next page, select ‘Primary PPO Network’. You will need to search by provider type (i.e. Physician, Urgent care center, Hospital).

What is a copay? This is the amount of out of pocket expenses that you must pay the doctor, clinic, or hospital for each visit.

What is included in the Wellness Benefit? The Wellness Benefit covers 100% (up to $250 per school year) of any combination of routine/sports physicals, gynecologic health screenings, immunizations, and tuberculosis tests. See plan brochure for more details.

The provider says I am not on the insurance list. There is a chance at the beginning of the term that we have not received the enrollment information from your school. The school needs to send us notification that you are enrolled in the insurance plan. We will reimburse your eligible visit if the provider requires payment up front. You may contact us at 1-800-821-7710.

What is an EOB? An EOB, or Explanation of Benefits, is a form you will receive online if you visit a provider. It shows the charges, discounts, and any amount that is still owed. You will also receive an email that your EOB is available online to review. An EOB is not a bill.

When should I use the Emergency Room? Hospital Emergency Rooms (ERs) are set up to focus on medical emergencies, not routine health care. Many health problems are not emergencies. If you are unsure whether the problem is an emergency:

- Call or chat Teladoc 24/7 at 1-800-835-2362 or www.teladoc.com — no additional charge
- Call LewerMark Nurse Line 24/7 for help at 1-866-549-5076 — no additional charge and available in over 200 languages
- Go to your Student Health Center or walk-in clinic, if open
- Go to the ER if you feel the problem is so serious that it cannot wait until your Student Health Center or walk-in clinic is open

What happens if my claim is rejected? Call LewerMark at 1-800-821-7710 or email lewermarksupport@lewer.com. Occasionally, claims can be rejected if the doctor provides the wrong number or information. We will research the claim and let you know the status. If you receive a Claims Questionnaire, this must be completed and returned before your claim can be processed.

What is the ‘Make Your Mark’ Scholarship Program? It’s a scholarship contest available only to international students enrolled in LewerMark Student Insurance plans. Please visit www.lewermark.com/lewermark-scholarship for more information.
