

## *UAF Export Determination Request*

---

Many types of materials have U.S. export and/or foreign import restrictions on them. Providing the following information will allow the Office of Research Integrity staff to assist you in determining the applicable regulations and help you fulfill the requirements for your export.

This form must be submitted electronically (as an email attachment) to the Office of Research Integrity ([fycomp@uaf.edu](mailto:fycomp@uaf.edu)). Please put "Export Determination Request" in the subject line of the email.

---

### **UAF EXPORTER INFORMATION**
