

Rural Development BA Roadmap

Students who are not attending school full time should work with their advisor to follow the core RD course sequence as closely as possible.

The nine credits of required concentration courses are offered over three separate semesters. Students should begin to take these courses in their second year if possible to ensure that they can take all three required courses.

Concentration courses may be double counted for the minor.

Core courses are highlighted in green.

First Academic Year

Fall		Spring	
WRTG 111X	3 cr.	WRTG 211X, 212X, 213X, or 214X	3 cr.
