Note: Applicant counts include cancelled, withdrawn and postponed applications.  
Counts are unduplicated at the reporting level. Adding figures across reporting levels will result in duplication because it is common for students to submit multiple applications.  
This report also provides the number of accepted applicants. That is, the number of students who were admitted. Admitted students are considered enrolled if they enrolled for credit at any UAF campus.  
These data reflect enrollment status as of the dates specified and are not final.
