Re: School of Education and K12 Outreach Transition

Per the UA Board of Regents decision at their June 4, 2021 meeting, the School of Education will now function as an independent School. For UAF, I will continue to work with you to facilitate this change of structure, which will involve:

- Move of SoE out of CNSM. SoE will be led by a Director who will report to the Provost. SoE faculty will report to the SoE Director.
- Move of K12 Outreach to report to the SoE Director.

In discussion with you, and recognizing the need for time to transition all the processes for the upcoming AY2021-22 school year, please note the following important dates:

- July 1, 2021: Start of FY22, SoE faculty reporting lines will officially change from CNSM to SoE
- Aug 8, 2021: Faculty with a regular 9-month contract come back on contract
- Sep 12, 2021: Start of Payroll Run 20. Date to complete all pending processes and complete the transition of processes from CNSM to SoE
