

Since 1983, RAHI has been giving rural and Alaska Native students an unforgettable crash course in college success. At RAHI, students earn an average of nine college credits in six weeks and learn how to thrive academically by experiencing life on campus, building self-confidence, and developing a state-wide community to carry with them throughout their lives.

Application Period:
Jan. 1st - Mar. 1st, 2024

Prepare for Your Future

- Free college experience
- Free college credits
