CHOOSE ROOM DURING THE LOTTERIES!

EVERYTHING YOU NEED
This guidebook is designed to help you choose a room, and assist you through the process of reserving your space on campus.

1. Room selection is the process of choosing your room for the next year. This process is made up of three lottery times, which are based on your room preference and/or the time you submit your housing application.

2. Be sure to clear any debts you have with the University as you will not be able to select a room if you have any unpaid bills.

3. Current residents do not need to make a payment to select a room. All fees for room and board are due with your Fall 2021 fees by Friday, September 3, 2021.

If you submit your application after February 3, you will be placed in the open room lottery or your room will be assigned to you based on your room preference.

STEP 1
COMPLETE THE ONLINE HOUSING APPLICATION.
Located in individual’s UAOnline. Follow the path of logging into UAOnline > Student Services & Account Information > Campus Housing, Dining, and Post Office Link > UAF Link > Applications and Forms > Select Housing Eligibility Application > Select Current Resident Application and Submit.

STEP 2
SELECT A ROOMMATE: SKIP THIS STEP IF YOU DO NOT HAVE A ROOMMATE IN MIND.
Follow the path of logging into UAOnline > Student Services & Account Information > Campus Housing, Dining, and Post Office Link > UAF Link > Room Selection > Roommate/Suitemate and request your intended roommate (they will be sent an email that they have been requested as a roommate). Your intended roommate will then confirm your request. You are now matched. PLEASE NOTE: For groups larger than two, every person in the group must request and confirm everyone else in the group.

NOTE: You and your matched roommate (or group) will be able to enter the earliest lottery for which either (or any) of you are eligible. The person with the best lottery time will pick for the roommate pair (or group). Then you will all be sent an email confirming that your room has been picked.

STEP 3
KNOW YOUR LOTTERY TIME: YOU CAN SELECT A ROOM AT THE START OF YOUR LOTTERY TIME.
1. Go to UAOnline and login with UA Password. Select the following menu headers:
   - Student Services & Account Information
   - Campus Housing, Dining, and Post Office
   - UAF Housing, Dining, and Post Office
2. Select the following menu headers from the pull down menu located on the left side of the screen:
   - Room Selection
   - Select a Room or Suite
3. Click on Find Available Rooms.
4. Select a room from the list provided.
   PLEASE NOTE: Single rooms will be noted in the room type.
5. If you are matched with a roommate/s, you can pull them into the room at this time. Select their name(s) from the drop down menu. If you do not have a matched roommate, leave the second bed marked ‘Leave Empty’.
7. Congratulations!
   Your room selection process is complete!
One hour before the open lotteries log into your MyHousing portal to view your unique lottery time. At your unique lottery time you will have 2 minutes to select a room, pull in roommate and/or reserve a super-single before the next resident enters the lottery.

To select a super-single room select a room that has two open beds. You will receive a confirmation email. If you have a super-single or want a super-single and you select a room during any lottery other than the super-single lottery, you must immediately contact the Residence Life Central Office.

If you need to change rooms you can participate in the room change lottery at the start of June.

Apply early, room selection lotteries are first come first serve. Your lottery time is determined by when you submit your housing application.

One helpful hint is that you should update your preferred email address and telephone number on UAOnline or at the Registrar’s Office to ensure you receive information from the Department of Residence Life in a timely manner. Click personal information on UAOnline then click manage your address, email and phone information link. Ensure your contact info is current!

Lock in your roommate before you select your room. Make any additions and changes to your roommate requests before your room selection time. Your roommate request must be accepted before your lottery time.

You may select a roommate who does not currently live on campus or is a new student. However, the potential roommate must submit a housing application prior to your selection date in order to be “pulled in” during the process.

The roommate with the earliest lottery can pull in all roommates. If you are in a matched group two (2) people for double-shared, three (3) or four (4) people for Cutler Apartments and Wickersham Hall and they are eligible to select at an earlier selection date and time, that student will be selecting for you. HOWEVER, it is still your responsibility to confirm that you were pulled into a room as expected. To confirm your housing assignment through Self Service go to the main menu page and you will see your room assignment for Fall 2021. Only request as many roommates as you have occupancy.
Research into retention and graduation rates has found a strong correlation between on campus housing and graduation. On campus you’ll have 24-hour access to study lounges and community programming that provide resources and tools to help you succeed.

We offer housing when you need it — academic year, winter break, summer break and beyond. There is a place for everyone with multiple housing options at varying price points. On campus you live close to where you need to be academically, want to be socially and thrive personally.

Living on campus is about you, and about all you can gain from this once-in-a-lifetime experience. We are committed to creating opportunities for you to grow and develop. Through programs and interpersonal interactions, we strive to increase awareness to important issues and challenges.
STONEWALL LIVING LEARNING COMMUNITY

BARTLETT HALL 6TH FLOOR IS HOME TO OUR STONEWALL LIVING LEARNING COMMUNITY.

The Stonewall Living Learning Community furthers the university’s mission and provides housing options for students who may identify as transgender, are more comfortable living with another sex or gender, are allies of the LGBTQ community, or do not wish to prescribe to gender classifications. The Department of Residence Life defines the Stonewall Living Learning Community as an inclusive, voluntary environment where students can live in the same room with any other student regardless of biological sex, gender, gender identity, gender expression, and sexual orientation. Please indicate on your application if you are interested in living in this community.

DON’T JUST LIVE WHERE YOU LEARN. LEARN WHERE YOU LIVE.

WE HAVE OPPORTUNITIES FOR STUDENT LEADERSHIP, EMPLOYMENT AND ENGAGEMENT.

The Residence Hall Association (RHA) provides opportunities for residents to be directly involved in leadership and hold council positions within our residential communities, to plan and carry out activities and to engage university officials on issues of interest and concern on behalf of all residents.

Resident Life employs over 100 students in positions ranging from Resident Assistants (RA) and Peer Mentors (PM) in our halls to Desk Assistants (DA) at our service desks, summer operations, maintenance staff and central office staff.
YOUR SUCCESS
OUR SUPPORT
