

# Housing features & prerequisites

Students requiring special housing needs due to a disability or medical condition should contact Disability Services at the UAF Office of Disability, 907-474-5655.

Orientation is **REQUIRED** for: first time baccalaureate degree-seeking students and international students (Undergraduate F-1 Status & International Exchange in J-1 Status). For more information about orientation, please visit: [www.uaf.edu/orientation](http://www.uaf.edu/orientation).

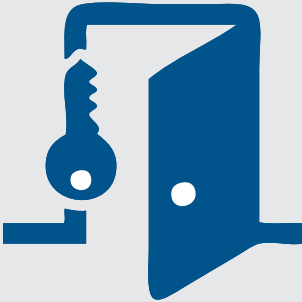

All residence halls have a common kitchen for resident usage. For more information about meal plan requirements visit UAF Dining Services at: [www.uaf.edu/dining](http://www.uaf.edu/dining).

UAF is a smoke and tobacco free campus.

Graduate students may request a double single if available. Double singles may be available for undergraduate students as space permits.
