

WHAT TO PACK FOR COLLEGE

CHECKLIST

Packing for college isn't like packing for a road trip with the folks or a day at the beach. It's you and your stuff walking into an empty residence hall room and you're hoping you remembered everything. This checklist can help you get it all together, and of course, there's no need to have or pack everything on the list. If you have any questions, please reach out to our central office.
