

5-1-21 Articulation Agreement
University of Alaska Anchorage Associate of Arts and
University of Alaska Fairbanks Bachelor of Arts in Elementary Education

The below major-to-major articulation provides students at the University of Alaska Anchorage (UAA) a clear progression from a completed UAA Associate of Arts degree (AA) into the Bachelor of Arts in Elementary Education at the University of Alaska Fairbanks (UAF). It is designed to maximize the student's work at UAA, eliminate unnecessary duplication of coursework, and ensure timely graduation of qualified educators for the State of Alaska.

Program requirements are taken from the UAF 2021 Catalog and the UAA 2021 Catalog

Requirements

1. Students must have graduated with an Associate of Arts degree from the University of Alaska Anchorage with a minimum GPA of 2.0 on a 4.0 scale for the 60 credits that meet the AA degree requirements.
2. Students must meet all requirements of the articulation agreement above and all 60 credits will count toward the baccalaureate degree requirements.
3. Students who have earned the AA at UAA will be guaranteed junior status for processes such as registration for courses, parking, residence hall assignments, student activity events, tickets, etc.
4. All General Education coursework will be considered completed, and students will not be required to take other general education classes at the university, even if the UAA AA general education component does not completely match UAF's baccalaureate general education component. However, this particular degree does include specific degree requirements, and students will need to select the courses shown above.
5. Students must be academically eligible for re-admission to UAA.
6. Students must meet student conduct requirements of UAF.
7. Students must meet all application requirements at UAF including the submission of all required documentation by stated deadlines.

8. UAF will waive the application/admission fee, and when transferring the student will not have to request a transcript from UAA.
9. Upon articulating an interest in a UAF elementary 2+2 pathway, students will be co-advised by a UAA advisor and the Anchorage based UAF SOE academic advisor to assure accurate and timely registration for required UAF education courses, assistance with UAF and ASD background check requirements, and placements in Southcentral elementary school classrooms. The UAF academic advisor will maintain close contact with UAA academic advisors.

Terms

1. This articulation agreement will be valid for 5 years from the date of signing, at which point it may be renewed by mutual agreement.
2. The agreement may be revised/modified by mutual agreement as needed, or in the event of a curriculum change or cancellation, discontinuance, or disapproval of any of the courses or programs.
3. Both parties may advertise this agreement and advise students that this option is available to them.
4. The parties will confer annually to consider the articulation agreement in the context of student benefits, program efficiency, and effectiveness.
