Steve Frank has always been a quiet, thoughtful, and effective leader. As a UAF student, Steve Frank was awarded the Outstanding Student of the Year in Business Administration. After graduation, Steve began his career as a banker, went into real estate, then pivoted to politics. He served as a legislative aide in Juneau, then was elected to the Alaska State House in 1984. He moved to the Senate 1989-96 where he co-chaired the Finance Committee and was known for his ability to work across the aisle for the people he served. In 2003 he was appointed by Gov. Frank Murkowski to the Board of the Alaska Permanent Fund. He has served on the Fairbanks Convention and Visitor Bureau Board of Directors, and today he continues to serve on the Fairbanks Community Hospital Foundation. From 1989 through 2016 he successfully developed, owned and managed the Rivers Edge RV Park hotel and restaurant with his wife, Linda Anderson. Steve has been a significant contributor to our community and is widely recognized for his ability to bring consensus among disparate elements for the welfare of all.
