TO: UAF Deans and Directors
FROM: Daniel M. White, Chancellor 
SUBJECT: UAF Travel Approval Authority

Pursuant to University Regulation 05.02.06, I delegate and assign to the UAF administrators serving in the positions outlined in the attached document the authority to approve out-of-state travel, excluding international travel, within their respective units. In-state travel can continue to be approved by the employee's immediate supervisor. Delegation to approve your own travel, which will be limited to senior management, will be communicated in a separate memo from me. International travel requires vice chancellor approval, or my approval for my direct reports.

Supervisors are urged to review the current Travel Policy as it relates to COVID-19 at: <https://sites.google.com/alaska.edu/coronavirus/general-info/updates>. This policy supersedes should it conflict with this delegation.
