

Impacts of Domestic Violence on abused parents and their Children

Presented by:
Tami Truett Jerue, Alaska Native Women's Resource Center

The background of the slide features several thin, curved lines in shades of gray and orange, creating a modern, abstract design. A solid orange horizontal line is positioned above the word "Goal:", and a solid green horizontal line is positioned below the main goal text.

Goal:

To understand the impact of domestic violence on Alaska Native children and their abused parent.

Social

Brief increases in heart rate,
mild elevations in stress hormone levels.

Serious, temporary stress responses,
buffered by supportive relationships.

Prolonged activation of stress
response systems in the absence
of protective relationships.
