

The UAF Faculty Senate passed the following motion at Meeting #179 on December 5, 2011:

MOTION:

The UAF Faculty Senate moves to amend the title of the general education objectives and student learning outcomes adopted by the UAF Faculty Senate at Meeting #175 on May 2, 2011 to clarify the undergraduate degrees to which the objectives and learning outcomes apply.

EFFECTIVE: Spring 2012

RATIONALE: In May 2011, the General Education Revitalization Committee proposed a new set of objectives and student learning outcomes intended to be used for all of UAF's baccalaureate degrees and two of UAF's associate degrees. These were adopted by the UAF Faculty Senate at meeting #175, held May 2, 2011, for the purposes of developing the next general education strategy and the strategies to be used in assessing it. Through unintentional oversight, only BA and BS degrees were listed, omitting the six other baccalaureate degrees offered at UAF. The proposed amendment brings the wording in line with the intended scope of the general education objectives and student learning outcomes.
