

The UAF Faculty Senate Administrative Committee passed the following on May 7, 2015:

**MOTION:**

The UAF Faculty Senate Administrative Committee moves to approve a change to language in the **UAF Catalog** for 2015-16 to bring UAF into compliance with current Board of Regents Policy P10.04.062. The change aligns UAF with UAA and UAS concerning UA transfer of credits for General Education Requirements pertaining to natural science laboratory requirements, as shown below.

EFFECTIVE:                 Fall 2015

RATIONALE:                While the UAF Faculty Senate will continue its work to revitalize the General Education Requirements in 2015-2016, this change to align the natural science laboratory requirements of UAF with UAA and UAS will benefit students transferring between the three universities.
