From the General University Requirements section of "How to Earn a Bachelor's Degree" in the UAF Catalog.</i></p>			
Do all the required courses currently exist?			Yes
If not, list the corresponding New Course paperwork associated with this request:			

A. DESCRIPTION OF THE PROPOSED MINOR. Include reasons justifying its creation; objectives of the minor and relationship of the required courses to those objectives.

The Art History minor prepares students to critically analyze and interpret our artistic heritage. Students will receive an overview of the history of art through our World History of Art classes and then delve more specifically into different areas in upper division classes. Currently art history classes are required for the art major and minor but there is no opportunity for students to specialize in the academic study of art. This minor is being created due to student interest.

B. PROPOSED MINOR REQUIREMENTS AS THEY WILL APPEAR IN THE CATALOG:

See samples provided on page 3 of this form.

1. Complete the following:
 ART F261 – History of World Art – 3 credits
 ART F262 – History of World Art – 3 credits
2. Complete two of the following:
 ART F363W – History of Modern Art – 3 credits
 ART F364W – Italian Renaissance Art – 3 credits
 ART F365W – Native Art of Alaska – 3 credits
3. Complete the following:
 ART F463 – Seminar in Art History – 3 credits (repeatable as long as it is not the same topic)

C. ESTIMATED IMPACT

WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.

None. The classes already exist and are being taught. No additional costs will be incurred by adding this minor.

D. IMPACTS ON PROGRAMS/DEPTS:

What programs/departments will be affected by this proposed action? Include information on the Programs/Departments contacted (e.g., email, memo)

Unfortunately this minor will not be available to current art majors, but it should not affect art enrollment as the focus of art history is academic and does not involve art practice.

F. PERSONNEL DIRECTLY INVOLVED WITH THE MINOR:

List faculty currently teaching the required and elective (if any) courses, with a brief statement of duties and qualifications.

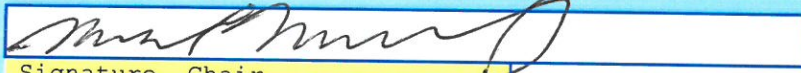

Currently Zoë Marie Jones is the only faculty member teaching these courses. She is a Term Assistant Professor of Art. It is possible that in the future an adjunct or other faculty member may teach some of these courses.

G. RELATIONSHIP OF THE PROPOSED MINOR'S OBJECTIVES TO THE "PURPOSES OF THE UNIVERSITY".

Include additional justifying information to support creation of the minor such as projected and present enrollments; need or public demand for the minor; support of other programs by the minor's creation, etc.

This minor is being created due to student interest. Currently there are several students working on Interdisciplinary Degrees that include Art History as one of the components. They, and others, have expressed dismay that there is no way to receive a formal major or minor in Art History. This minor would also have the secondary benefit of increasing enrollment in the Art Department.
