Description of the student learning outcomes assessment process.)

JUSTIFICATION FOR ACTION REQUESTED

The purpose of the department and campus-wide curriculum committees is to scrutinize program/degree change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a course, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the program is not compromised as a result.

- Course has not been offered since spring 2005 (cancelled in 2007). A freshman or sophomore level course (ED/Ling 100 or Ling 101) is more appropriate. The Ed/Ling 303 listed Ling 101 as a prerequisite.
