Workflow between Senate & Alliance

- No specific regulations
- Issues are brought either
 - From Senate to Alliance via President/President-elect (e.g., review of student dispute resolution policies)
 - From Alliance to Senate (e.g., minimum admission standards)
- Alliance also receives requests or directives from UA Administration and BoR (e.g., GERs)
- Policies that concern individual Faculty Senates but deal with system-wide issues
 - Are researched & discussed at Alliance.
 - Alliance drafts motion that has chance of passing all 3 Senates.

Workflow between Senate & Alliance

- Policies that concern individual Faculty Senates but deal with system-wide issues
 1. Are researched & discussed at Alliance.
 2. Alliance drafts motion that has chance of passing all 3 Senates.
 3. Vetted by Senate administrative/executive committees and either returned to Alliance for revisions or brought to Senate.
 4. Senates discuss and vote on motion and either pass or return to Alliance for revisions.
 5. If motion is passed it is transmitted to the appropriate authority to institute.

Workflow between Senate & Alliance

- Not clear what happens when the 3 Senates can not come to an agreement despite multiple attempts (e.g., minimum admission standards).
- Will need to figure this out because there will be more issues that concern all three universities.
