

MOTION:

The Faculty Senate moves to update Faculty Senate Bylaws in regards to the member composition for the Curriculum Review Committee. See changes highlighted below:

BYLAWS of the UNIVERSITY OF ALASKA FAIRBANKS FACULTY SENATE

Revised May 7, 2018 (Meeting #232)

Sect. 3 (ART V: Committees) H. Permanent. 4.

The Curriculum Review Committee evaluates proposed substantive undergraduate course and program additions, changes, and deletions submitted by the appropriate school/college curriculum committees. Among the topics of its review are number and duplication of courses, credit assignment, establishment of need for new programs, and resource impacts of curricular changes. Decisions of the Curriculum Review Committee may be appealed to Curricular Affairs by the department submitting the proposal. The Committee shall be composed of the chairs of the college/school curriculum councils, the University Registrar or the Registrar's designee, an eCampus designee, and shall be chaired by a member of the Curricular Affairs Committee.

RATIONALE:

As recent years have witnessed an increase in the number of courses offered in an array of modalities through collaboration with eCampus facilities and staff, there is a growing need to include an eCampus delegate to the Faculty Senate Curriculum Review Committee. The presence of such a delegate serves to facilitate a better understanding of online learning environments and how to review courses that are offered by the myriad modalities this pedagogical platform provides.
