GUIDELINES FOR THE EVALUATION PROCESS FOR ADMINISTRATORS
(GROUP A)

1. Within the first three weeks of the Fall Semester the Supervisor of the Administrator to be reviewed will appoint an Ad Hoc Administrator Review Committee consisting of five members, at least three of whom must be faculty. (It is recommended that staff be included on the ad hoc committee as appropriate.) The chair of the committee shall be appointed from the Faculty Senate. One of the three faculty shall be appointed from the Faculty Appeals & Oversight Committee.

In the case of evaluation of the Dean of the Graduate School, the Provost will appoint an Ad Hoc Committee consisting of two faculty drawn from the UAF Faculty Senate's Graduate Academic & Advisory Committee, one Dean/Director, one member of the Faculty Appeals and Oversight Committee, and a student representative from the Graduate Student Organization.

The Ad Hoc Committee will solicit input from all relevant constituencies on- and off-campus, including faculty, staff, and students. This may be accomplished through various instruments, e.g., a standard questionnaire completed anonymously and returned to the Committee Chair.

2. The Administrator to be evaluated will prepare a narrative self-evaluation of activities performed during the three-year period (academic years) prior to the year of evaluation or since the last evaluation. This narrative should include reflections about how adequately s/he has fulfilled responsibilities of leadership consistent with his/her own performance expectations and those of faculty, staff, and students in the unit. Major or otherwise significant accomplishments should be highlighted. Any issues raised in the last evaluation should be referenced with a view to what progress has been made on those items. Finally, the self-evaluation should identify a limited set of reasonable goals for the unit over the next three years, with some discussion about specific strategies that may be undertaken through his/her administrative leadership.
3. The Ad Hoc Committee will interview a select sample of faculty, staff, students and others as relevant for further evaluative comments about the Administrator's performance.
4. The Ad Hoc Committee will interview the Administrator either in person or by conference call. The interview shall proceed on the basis of a set of questions which reference the Administrator's self-evaluation, the results of returned questionnaires, and the interviews of faculty, staff, and students.

5. The Ad Hoc Committee will prepare an evaluative summary, and submit its report to the Provost or Vice Chancellor (in the case of evaluation of Deans/Directors), or to the Chancellor (in the case of evaluation of the Provost or Vice Chancellor). The Ad Hoc Committee shall work as expeditiously as possible in completing its report and submit it to the Provost, Vice Chancellor or Chancellor as the case may be by March 15 of the Spring Semester:
- (a) At a date to be set by the Provost or Vice Chancellor, the Provost or Vice Chancellor shall meet in joint conference with the Ad Hoc Committee and the Faculty Appeals & Oversight Committee for final review, recommendations, and disposition of the Administrator's evaluation. The supervisor of the administrator will thereafter provide his/her formal evaluation taking into account the Ad Hoc Committee's report.
 - (b) For Review of the Provost or Vice Chancellors - At a date to be set by the Chancellor, the Provost or Vice Chancellor and the Chancellor shall meet to discuss the Ad Hoc Committee's evaluation of the Provost or Vice Chancellor. During this meeting the Chancellor and Provost or Vice Chancellor shall identify performance priorities for the next review period. The Chancellor shall meet in joint conference with the Ad Hoc Committee and the UAF Faculty Senate's Faculty Appeals & Oversight Committee to summarize his evaluation.

The UAF Faculty Senate passed the following at its Meeting #143 on April 9, 2007:

MOTION:

The Faculty Senate moves to modify the "Guidelines for the Evaluation Process for Administrators" (Senate Meeting #115, 2003):

Group B Administrators:

In addition to being reviewed annually by his/her immediate Supervisor, "Group B" administrators are to undergo a 3-year comprehensive review. At a time designated by the Supervisor during the fall semester of the academic year of comprehensive review, the "Group B" administrator will submit a self-evaluation report to his/her Supervisor. The self-evaluation shall include: (1) comments on the annual performance evaluations; (2) a summary of his/her notable activities/accomplishments in the previous years; and (3) a statement of relevant goals/objectives relative to assigned or planned administrative duties for the upcoming years. The Supervisor's evaluation shall include faculty and/or staff opportunity for comment on the "Group B" administrator's performance. Comments received shall be referenced in anonymous and aggregate summary in the written evaluation provided to the "Group B" administrator. The Supervisor will include, as part of the written evaluation, an appended workload assignment and/or statement of performance expectations for the "Group B" administrator for the subsequent review period. A copy of the Supervisor's review, along with a summary statement of the process used to assure faculty/staff input into the evaluation, will be forwarded to the Faculty Senate Office by March 15 of the academic year the "Group B" administrator is scheduled for review. The Faculty Appeals & Oversight Committee shall review the written evaluation in performance of its oversight function in administrator review.

The following criteria will be used to determine which administrators are placed on or removed from the "Group B" list. As vacancies and appointments occur, changes to the list shall be determined annually by the Provost in consultation with the Faculty Senate President.

- "Group B" administrator responsibilities must be administrative in nature. ("Group B" administrators must not be Union members, UNAC or ACCFT).
- "Group B" administrators report to "Group A" administrators. ("Group A" administrators report to the Chancellor, Provost, or a Vice Chancellor.)
- "Group B" administrators supervise faculty and are involved in faculty performance reviews.

legislators and candidates. In its concern for fiscal issues the committee shall monitor budget appropriations to the university and evaluate any notice to the faculty of financial exigency. In performing these duties, the committee will coordinate as necessary with the relevant officers (and/or their representatives) of the extant collective bargaining units who serve as non-voting members of the Senate and ex-officio members of this committee.

3. The Unit Criteria Committee will review proposed unit criteria for evaluation of faculty submitted by the various peer-review units of UAF, and to work with the heads of those units (or their designees) to ensure that their criteria are consistent with criteria defined in the UAF Faculty Appointment and Evaluation Policies and Regulations "Blue Book". The committee will also review proposed changes to the "Blue Book."

To ensure that perspectives from across UAF are represented, membership will consist of faculty senators, with one member drawn from each of the following schools/colleges: CLA; CRA/CES; CSEM; SFOS; Engineering; and one from SNRAS, SoEd, or SOM.

EFFECTIVE: Fall Semester 2007

RATIONALE: Because of the lack of uniform and consistent review of Group B administrators, the need for adequate criteria for identification of administrators in this category, the need to assure annual as well as comprehensive review with faculty/staff input, and the need to diminish Faculty Appeals & Oversight direct control of the process, the Faculty Appeals & Oversight Committee proposes revision to the process as stipulated.

The UAF Faculty Senate passed the following at its Meeting #138 on September 18, 2006:

MOTION:

The Faculty Senate moves to modify "Guidelines for the Evaluation Process for Administrators" (Senate Meeting #99, February 5, 2001; amended Senate Meeting #111, October 28, 2002) to include (1) the Dean of Libraries and (2) the Vice Chancellor for Research in the "Group A" list of administrators.

EFFECTIVE: Immediately

RATIONALE: The Vice Chancellor for Research supervises research faculty via various institute directors, while the Dean of Libraries supervises library faculty. Both positions make budgeting decisions affecting faculty and staff at UAF. These responsibilities are consistent with those of the "Group A" list of administrators. They are therefore hereby added to that list for administrator review.

Group A Administrators

- Provost
- Executive Dean, College of Rural and Community Development
- Dean, School of Natural Resources and Agricultural Sciences
- Dean, School of Fisheries & Ocean Sciences
- Dean, Graduate School
- Dean, College of Engineering & Mines
- Dean, School of Management
- Dean, School of Education
- Dean, College of Liberal Arts
- Dean, College of Natural Sciences & Mathematics
- Dean of Libraries
- Vice Chancellor for Research

The UAF Faculty Senate passed the following at its Meeting #115 on April 7, 2003:

MOTION:

=====

The UAF Faculty Senate moves to amend the administrator review guidelines (passed at Meeting #99, February 5, 2001) to establish a timeline and process for Group "B" administrators and to add Director of the Museum to the Group "B" list.

EFFECTIVE: Immediately

RATIONALE: The current administrator evaluation process defined two groups of administrators, Group "A" and Group "B". Group "A" administrators are being reviewed by the established process. However the Group "B" review process was not well defined in the original motion. Under this motion, the process for Group "B" administrators is less involved than for Group "A", and relies on the Faculty Appeals and Oversight committee to run the process. The Director of the Museum is at the same administrative level as other Group "B" administrators but was not included on the original list and should be included in the review process.

Process for Evaluation of Group "B" Administrators

Campus/Program Directors in Group "B" (as listed below) are to be reviewed annually by their immediate Supervisor. On July 1st, Group "B" Directors shall submit a report/evaluation form to their Supervisor on the previous year's activities/accomplishments and include goals for the upcoming year. The performance of the Director under review shall be ranked 'Satisfactory' or 'Unsatisfactory'.

On a 4-year cycle the evaluation shall be more extensive. By October 15 the Campus/Program Director being reviewed will submit a vita, position description, brief self-evaluation and past annual evaluations to the Faculty Appeals and Oversight Committee (FAOC), who will conduct the review. The FAOC may form a subcommittee or subcommittees of 3 or more faculty from FAOC to conduct the review and report back to the committee as a whole. If appropriate, a staff member from the Campus/Program Director's unit may be added to the subcommittee.

The FAOC shall set procedures for soliciting input from all relevant constituencies on- and off- campus including faculty, staff and students based on the Director's performance during the previous three years. This will be accomplished through a standard questionnaire completed anonymously and returned to the Ad Hoc Director Review Committee chair and through interviews with a select sample of faculty, staff, students and relevant others, if appropriate, and may include an interview with the administrator being reviewed.

The FAOC will prepare an evaluative summary, and submit its report to the Director's Supervisor by March 1.

At a date to be determined by the Supervisor of the Director under review, the Supervisor shall meet in joint conference with the Faculty Appeals & Oversight Committee to share his/her preliminary evaluation of the Director under review. The Supervisor will then complete the review process.

Supervisory Administrators may add additional administrators to this review list (for review in the 2007-2008 cycle), with approval from the Faculty Senate.

Review Cycle: Every four years beginning with:

2003-2004

- Director, Geophysical Institute
- Director, Interior-Aleutian Campus
- Director, Institute for Northern Engineering
- Director, Cooperative Extension Service
- Director, University of Alaska Museum

2004-2005

- Director, Institute of Arctic Biology
- Director, Bristol Bay Campus
- Director, Tanana Valley Campus
- Director of Fisheries Division, Juneau
- Director, International Arctic Research Center

2005-2006

- Director, Institute of Marine Science
- Director, Chukchi Campus
- Director of Library
- Director, Northwest Campus
- Program Chairman, Marine Advisory Program

2007-2008

- Director, Kuskokwim Campus
- Director, Fishery Industrial Technology Center, Kodiak
- Director, Arctic Region Supercomputer Center
- Director, Agricultural and Forestry Experiment Station

The UAF Faculty Senate passed the following at its' Meeting #111 on October 28, 2002:

MOTION:

=====

The UAF Faculty Senate moves to amend the Guidelines for the Evaluation Process for Administrators as follows:

EFFECTIVE: Immediately

RATIONALE: This will clarify who appoints the chair of the review committee.

GUIDELINES FOR THE EVALUATION PROCESS FOR ADMINISTRATORS

1. **Within the first three weeks of the Fall Semester the Supervisor of the Administrator to be reviewed will appoint an Ad Hoc Administrator Review Committee consisting of five members, at least three of whom must be faculty. (It is recommended that staff be included on the ad hoc committee as appropriate.) The chair of the committee shall be appointed from the Faculty Senate BY THE SUPERVISOR OF THE ADMINISTRATOR TO BE EVALUATED. One of the three faculty shall be appointed from the Faculty Appeals & Oversight Committee.**

In the case of evaluation of the Dean of the Graduate School, the Provost will appoint an Ad Hoc Committee consisting of two faculty drawn from the UAF Faculty Senate's Graduate Academic & Advisory Committee, one Dean/Director, one member of the Faculty Appeals and Oversight Committee, and a student representative from the Graduate Student Organization.

The Ad Hoc Committee will solicit input from all relevant constituencies on- and off-campus, including faculty, staff, and students. This may be accomplished through various instruments, e.g., a standard questionnaire completed anonymously and returned to the Committee Chair.

2. The Administrator to be evaluated will prepare a narrative self-evaluation of activities performed during the three-year period (academic years) prior to the year of evaluation or since the last evaluation. This narrative should include reflections about how adequately s/he has fulfilled responsibilities of leadership consistent with his/her own performance expectations and those of faculty, staff, and students in the unit. Major or otherwise significant accomplishments should be highlighted. Any issues raised in the last evaluation should be referenced with a view to what progress has been made on those items. Finally, the self-evaluation should identify a limited set of reasonable goals for the unit over the next three years, with some discussion about specific strategies that may be undertaken through his/her administrative leadership.
3. The Ad Hoc Committee will interview a select sample of faculty, staff, students and others as relevant for further evaluative comments about the Administrator's performance.
4. The Ad Hoc Committee will interview the Administrator either in person or by conference call. The interview shall proceed on the basis of a set of questions which reference the Administrator's self-evaluation, the results of returned questionnaires, and the interviews of faculty, staff, and students.
5. The Ad Hoc Committee will prepare an evaluative summary, and submit its report to the Provost (in the case of evaluation of Deans) or to the Chancellor (in the case of evaluation of the Provost or any other administrator who reports directly to the Chancellor). The Ad Hoc Committee shall work as expeditiously as possible in completing its report and submit it to the Provost or Chancellor as the case may be by March 15 of the Spring Semester.
 - (a) At a date to be set by the Provost, the Provost or administrator's supervisor shall meet in joint conference with the Ad Hoc Committee and the Faculty Appeals & Oversight Committee for final review, recommendations, and disposition of the Administrator's evaluation. The supervisor of the administrator will thereafter provide his/her formal evaluation taking into account the Ad Hoc Committee's report.
 - (b) At a date to be set by the Chancellor, the Provost and the Chancellor shall meet to discuss the Ad Hoc

Committee's evaluation of the Provost. During this meeting the Chancellor and Provost shall identify performance priorities for the next review period. The Chancellor shall meet in joint conference with the Ad Hoc Committee and the UAF Faculty Senate's Faculty Appeals & Oversight Committee to summarize his evaluation.
