The purpose of the department and campus wide curriculum of course change and new course applications to make sure the education is not lowered as a result of the proposed change your response. This section needs to be self-explanatory # of credits, explain why; are you increasing the amount class? If you drop a prerequisite, is it because the material field of the course is changing to stacked (400/600), explain higher performance required on part of students earning graduate as needed to fully justify the proposed change and explain ensure that the quality of the course is not compromised a lignment with current trends in literary study by replacing traditional performing the study of a single author, focus on a genre or particular theme, emerging from a particular time and place. Fourteen courses at the 400-lectourses will replace them.	at the quality of UAF ge. Please address this in If you ask for a change in of material covered in the erial is covered elsewhere? I level of effort and Credit. Use as much space what has been done to as a result. Triculum. The Department seeks riod courses in British and the literature in more diverse ways: or attention to literature
English majors must complete five elective courses at the 300- and 400-leve	el: we will offer the same number
of 300- and 400-level courses each semester under the new as we have offer
