

Maria Russell, Staff Council President-Elect

From Sitka, Maria Russell attended UAF as a UA Scholar and graduated with honors in 2004 after earning BA degrees in History and Anthropology. Maria worked for the Bunnell House Early Childhood Lab School while a student and accepted a position with the Institute of Arctic Biology upon graduation. She currently divides her time between the fiscal management of the Specialized Neuroscience Research Program and the coordination of IAB's recharge centers. She looks forward to working with Staff Council to strengthen the UAF system.
