

Master Planning Committee
Report for Staff Council Meeting #268
February 2016

Brad Krick, Representative; Alternate Not Filled

MPC met on January 28. There were not many people at the meeting (5 voting members) and the agenda was short. The main and only item was a presentation from Design Alaska.

Color Scheme for Combined Heat & Power Plant:

Design Alaska presented two possible color schemes for the CH&P plant. One scheme was in warm tones, the other cool. The schemes are only examples - UAF can choose to use different colors, but a decision about will have to be made by approximately February 11. MPC will take up this item at our next meeting.
