The University Advocacy Committee (UAC) is a Permanent committee of UAF Staff Council focused around three main guidelines.

1. Organize events and functions to help make the public aware of the value of University staff, as well as students and faculty
2. Organize events and functions that increase staff morale and awareness of the University
3. Focus on on-boarding, mentoring, and communications within Staff Council and public relations with the UAF community

Currently there are two primary projects with the UAC - establishing and outlining a Staff Volunteer Day and working to establish online forums for employees.
